

# Young Professionals Corner

I am Diana Fredericks and I am a young professional living and working in Hunterdon County.

In 2006, I graduated from Rutgers School of Law. I was then privileged to work as a judicial law clerk for the Honorable Thomas H. Dilts (Ret.) who at the time was the presiding judge of the family part for Hunterdon, Warren & Somerset Counties where I became intimately involved with our vicinage practices, a truly invaluable experience. At the conclusion of my clerkship, I continued government service and became a Deputy Attorney General for the State of NJ. Thereafter, through the great network of local attorneys I met while clerking, I was introduced to the Law Firm of Gebhardt & Kiefer in Clinton, New Jersey where I have been a family law attorney for the past four years. My practice is exclusively devoted to family law wherein I counsel husbands and wives on issues relating to divorce, domestic violence, pre-marital agreements, custody and parenting time, spousal and child sup-

port, and the division of assets.

Gebhardt & Kiefer is celebrating its 128th year of providing great legal services. Given the firm's long standing history in Hunterdon County, I was immediately interested in getting involved not only with legal based organizations, but also with the Hunterdon County Chamber of Commerce. When I was approached about joining a new committee designed for Young Professionals I eagerly agreed and am proud to be involved with this group since its inception in 2009.

The Young Professionals of Hunterdon County (YPHC), with the support of the Chamber, have been an amazing resource for networking and meeting young professionals in other fields whom I would not have otherwise had the opportunity to work with. Additionally, we have the great support and mentorship of the Chamber providing us prized business experience and guidance. YPHC has volunteered our time and varied expertise to charities and fundraisers; we

have hosted social events; and have worked together to highlight one another to grow our network and boost careers. Being a member of the YPHC has not only meant new business, but new friends. In a time when our networking instincts drive us to the internet, the YPHC reinforces the need and value in face to face contact with our contemporaries. The YPHC is committed to providing such opportunities for our community.

Diana is a member of the Chamber's Young Professional Committee and is an attorney at Gebhardt & Kiefer in Clinton, NJ.
